# ADMINISTRATION FACULTY AND STAFF

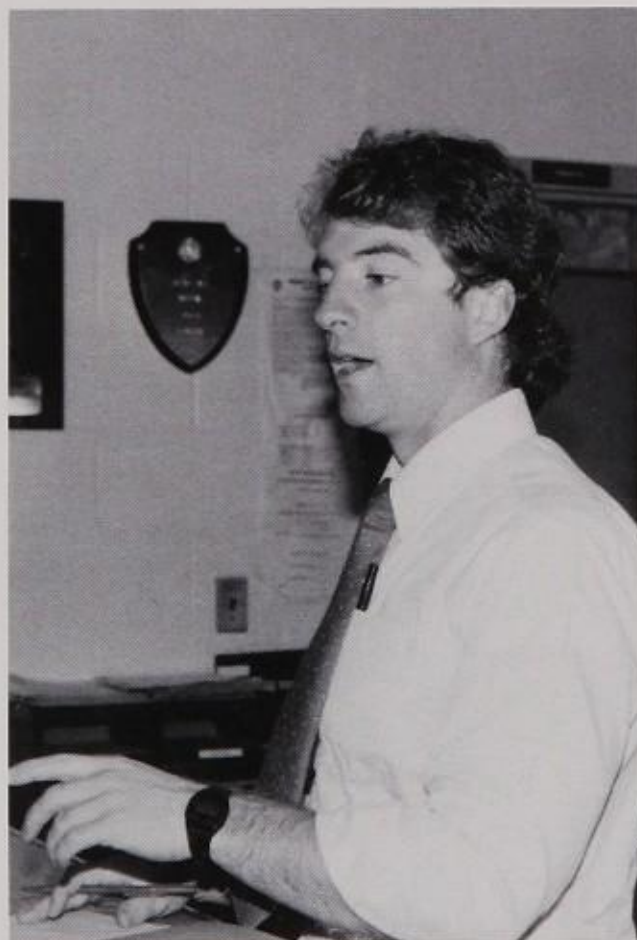

*In 1982, you were our Freshmen and now you are our Seniors. What exciting years to have been a student at Rockport High School. In your four years, you have been a part of unprecedented success stories on our athletic fields, on our drama stage, and in the support to your classmates. Excitement has surrounded you. We will never forget your challenge in Winter Carnival 1984, the magic of New York City on Prom Night, and the anticipation of "senior year." As 1986 progresses and the excitement builds, think beyond your senior year and look into the years ahead. When you enter those years, be certain to hold on to your individuality, curiosity, and energy, as they have made Rockport High School a better place for those of us you leave behind. As a faculty we are hopeful as you begin your adult lives. Your special vitality properly channelled has the power to move mountains. In a society as rapidly changing as ours, we are in great need of such power. Begin moving mountains today.*

The class of 1987 has really pulled together for our demanding Junior year. A new committee called the "Ways and Means Committee" has been formed within the class to help organize class fund raisers and activities. This group has proven to be very productive. Our major activity this year is putting on the Junior Prom. Bake sales and gym nights have also provided extra funds for our treasury. This year, our third in Winter Carnival, we hope to be successful and show the unity and spirit for which our class is known.

We would just like to take this time to wish all of this year's graduating Seniors happiness and good fortune in the future, and to thank them for all of the spirit and excitement they have shown in our school for the past four years.

# SOPHOMORES

We, the Sophomore class, had a very slow start during the Saturday morning bake sales at the youth soccer program. Later we revitalized our class spirit when the year "88" was printed on our class rings that we received in December. The class of 1988 then reached a record breaking goal in the Sophomore Magazine Fund Raiser to put an estimated 4,000 dollars into our treasury. In February we had a Spaghetti Dinner which brought even more money into our treasury. The Sophomore class has proven its unity and determination this year and is off to a great start moneywise. To wrap up a very successful year the Sophomores have placed an ad in the yearbook to wish the class of 1986 farewell. Good Luck Seniors!

Our first year of high school was difficult with no money in our treasury and new officers leading the class for the first time. We started off with a bakesale as our first fundraiser which grossed about sixty-five dollars. We are now planning a Spaghetti Dinner, which we think will be successful. We are looking forward to the rest of the year with a great performance in Winter Carnival and more fund raisers to help add money to our treasury.

We wish the Senior Class of 1986 great luck in the future!

# BIOLOGY CLUB

The 1985-1986 Biology Club year has been very active. We have been involved in a National Beach Clean-up Day, went on our annual Whale Watch with this year's visitors from Spain, and climbed Mount Monadnock. For Christmas, we cheered up the residents at the Greycliff Nursing Home by making them songbooks. Membership has climbed to over forty members and involvement is enthusiastic and strong. Hopefully at the end of this year we will have our long-awaited overnight camping trip on the Appalachian Trail.

The Spanish Club had a large turn-out this year, reaching 70 members. We kicked off the fall by hosting exchange students from Alcala de Henares, Spain. The club was very active with it's annual events such as the Halloween party where Sean Cahoon won the jalapeno eating contest. He ate 13 peppers, beating all previous records! During the Christmas season we took a trip to Miguel's restaurant in Salem, filling ourselves with burritos, enchiladas, tacos, and plenty of cold drinks. The Spanish Club's big fundraiser is the Dulcegramas sold every year to spread Christmas cheer. Members sold candy-grams which were distributed before vacation to the students and faculty. The Three Kings appeared at the club's holiday party on January 6th, bearing gifts for all. Photographs were taken of the club members on the laps of Los Tres Reyes Magos. A new project which brought recognition to the Spanish and French Clubs was the international dinner in the cafeteria in March. The ice-cream orgy was how the club wrapped up its busy year. Gifts were given to the departing seniors and everyone bid them good-bye while eating sundaes and listening to Spanish music.

Heidi Goodwin, President; Paul Rasmussen, Vice-President; Diane Lee, Secretary; Diane Leahy, Treasurer.

# FRENCH CLUB

The French club has had an active year and many more events are planned. We started the year with a fondue party and the Halloween party soon followed. The members' enthusiasm showed strongly when they dressed in creative French costumes. We raised \$303 from our French Pollution Day, where everyone spoke French on their free time during the school day. Over Christmas break we went caroling at Den-Mar Nursing Home. Some events we have planned are the French Immersion Program, the exchange trip to France, the international dinner with the Spanish Club, and the sale of lollipops for Valentines Day.

## Varsity

The 1985 edition of the Field Hockey team once again continued the tradition associated with Rockport — that of winning. For the third year in a row, we were crowned Division II Cape Ann League Champions, and for the fourth year in a row, the state tournament was part of the season. Leading the way for the 9-3-2 Vikings were Co-Captains Kathy Hunt and Sarah Graves. Kathy and Sarah were both named to the All-Star Team. Kathy was also the Boston Globe Division II Player of the Year. Through hard work, determination and the will to win, the 1985 Rockport Field Hockey Team was, once again, a success.

## Junior Varsity

The Junior Varsity field hockey team had quite an outstanding turnout in 1985; 21 Girls. Only six were veterans, all the rest were rookies to the team. The main goal was to combine each member's efforts into one compound goal: to play the team sport of field hockey and to play the way Rockport knows best — to be the best. The J.V.'s experienced a victory right away. They shut out their two opening opponents 3-0 both games, but then played a short streak of ties, still maintaining their undefeated record. They suffered an unfortunate loss for the first time in two seasons when a Pentucket breakaway dribbled right into the net. That didn't weigh down the season, though. The team ended their season with a 4-3-5 record. It was teamwork that kept their sports up when the competition was tough.

## Varsity

The 1985 Viking soccer team had another exciting and successful season. They once again won the Cape Ann League Division II Championship and made it as far as the State quarter-finals. The team suffered a tough loss to their arch-rival Masconomet, but there were many highlights in their season. Senior Steve Hultin was named a C.A.L. All-Star player, and sophomore Dave Harding and senior co-captain Muzzy Fernandez were both named C.A.L. All-League players. The Vikings ended their season with a 9-3-4 record and are looking forward to a promising 1986-87 season.

Regrettably, there are no photographs available of the Junior Varsity soccer team. J.V. players are: Bill Budrow, Eric Carlson, Peter Christopher, Mike DeRosa, Gary Eastwood, Ivar Frithsen, Bruce Kirkland, Andy Komack, Steven Kostka, Bobby McMinn, Thomas Mountain, Brian Russo, Mike Sampson, Kyle Sarofeen, Scott Thrasher, Donald Twombly, Craig Vadala, Adam Vecchione, Scott Wall, Brian Wonson, Mark Wonson, Philip Zeman. We congratulate them for an undefeated 1985 season.

To the class of 1988 we leave the possibility for change and improvement within the high school and yourselves. To the class of 1989, we leave expectations of what is to come and the strength which will arrive with class unity. With hope and gratitude, we bequeath to Rockport High School the memory of the class of 1986, and a wish for the success of all future classes.*
